## PRESIDENTS' MESSAGE

# 2014: A Year of Achievement

We have been privileged to serve you, our members and friends, as co-presidents of AAJA-LA and to take part in another year of accomplishment, all building to our event this evening.

We thank you for devoting your Friday night to our cause. It's always gratifying to see so many of the same familiar faces with us, year in and year out, and we wish your teams the best of luck in the competition.

Earlier this year, many of you were able to experience our other big annual event, the V3 Digital Media Conference, a showcase of leading Asian and Pacific Islander Americans in digital and social media. V3con, in its third year, attracted hundreds of attendees to the Japanese American National Museum in downtown L.A. for an all-day conference of panels and workshops. We'll do it again next year, so please mark your calendars for June 27, 2015.

Trivia Bowl and V3con fulfill the chapter's ambitions to serve all members, from students to established professionals, while connecting to the larger community in new and creative ways.

Both benefit from countless hours of volunteer labor. Tonight, let's give thanks to everyone who worked on this 19th Trivia Bowl,

in particular our tireless leader, Denise Poon. Denise, who is overseeing her 10th Trivia Bowl this evening, plans to hand the reins to new leaders next year. We owe her a huge debt of thanks for all her years of service.

Once again, we thank you for your support of our chapter's many successes and the vital work that AAJA-LA performs.

## COMMISSIONER'S MESSAGE

# 20 Years On, Let the Games Continue!

*"Our event comes together through a passion for helping others."*

– Denise L. Poon

Welcome to our 20th-anniversary Trivia Bowl celebration.

If you are a mid-career or veteran journalist, in 1994 you most likely covered the 6.7 Northridge earthquake, a celebrity murder case leading to the "trial of the century" and the marriage of the "King of Pop" to the daughter of the "King of Rock 'n' Roll."

It's also possible that you participated in our inaugural Trivia Bowl, then a modest fundraiser for student scholarships and professional programming.

Over the last two decades, Trivia Bowl has evolved into our highly successful signature "fun-raising" marquee event – emulated by AAJA chapters around the country and nonprofit groups here in Los Angeles.

Our event comes together through a passion for helping others; commitments and donations from loyal sponsors; and repeat participation from many enthusiastic volunteers.

Combine those essentials with journalists' predisposition of naturally being (1) competitive, (2) knowledgeable about everything, specializing in nothing, and (3)

pseudo-authoritative, and it's a recipe for success.

Many of you who have been guests through the years know that our original small gathering has blossomed into 40 registered teams, six of them filled with university students competing for the College Bowl Grasshopper Cup.

The chalkboard used to tabulate scores has been replaced by a high-tech screen projection. Add the Tweet-off and costumed guests vying for the Spirit Award to the mix, and tonight's permutation can be described as a cross between Trivial Pursuit and Mardi Gras, where they say, "Let the good times roll."

Here at Trivia Bowl, we say, "Let the games begin!"

Thank you for your enthusiastic support.

– Denise L. Poon

## TRIVIA BOWL RULES

# Here's the 411

AAJA-LA developed, abides by and enforces the following International Trivia Bowl Federation competition rules.

### 2014 Competition

Each team may have as many as 10 members. Once the competition begins, no substitutions are allowed. No one may sit at a team table except its 10 original designated players. Trivia Bowl XIX will have five rounds of 15 questions each. The question categories are: 1) current events; 2) more current events and history; 3) arts and entertainment; 4) science, geography and literature; 5) sports and California living.

David Ono, the emcee, will read aloud the questions. Sitting at their designated table, the members of each team work together to fill out the answer sheet. The emcee will read each question twice. Competitors are advised to write down the questions for their reference.

The name of the team and its captain must be written on the answer sheet for each round. Failure to write the team name on the answer sheet can result in forfeiture of

the entire question round. All answers must be legible and in English unless another language is specified. Answers must be written on the exact line corresponding to the number of the question.

Only one answer per question will be accepted unless more than one answer is clearly requested. When multiple answers are requested, all must be correct for the team to obtain the point. When a person's name is requested, last names are acceptable unless first and last are specified. Phonetic spelling is acceptable unless the correct spelling is specified. There are no partial points for an answer.

Once the emcee has read the 15th and final question of each round, teams have two minutes to complete their answer sheets. Room monitors will collect the sheets from team captains and take them to the judicial bench. Once an answer sheet is submitted, no changes are allowed.

### Scoring

After each round, the emcee will read aloud the questions and correct answers after

game officials have collected the answer sheets. The judges will review and score the answer sheets during this time. Team scores and standings for each round will be posted on the scoreboard. The team with the highest score at the end of the fifth round wins possession for one year of the coveted perpetual Rice Cup trophy.

### Challenges

Any challenges to questions should be brought to the attention of the Quiz Masters by the team captain or a designated representative before the end of the evening competition. The game manager's decision is final. No competitor may speak to the judges or scorekeepers.

### Leaving the Team Table

No one who leaves a team table while a round is in progress will be allowed to return until the team submits its answer sheet. Please make all trips to the hospitality table, refreshment area or restroom before or after rounds.

### Prohibition on Electronic Devices

The use of all electronic devices (phones, tablets, laptops, PDAs, cameras, video devices, etc.) is strictly prohibited while a competition round is in progress. If any such device is visible, game officials will request that it is put away. Any person who uses such a device must leave the team table and may not return to the game during that round. Game officials have the discretion to deduct as many as 10 points or an entire round from a team's score if any member violates this rule. Texting or tweeting about the event, including but not limited to @AAJATriviaBowl, is permitted only between competition rounds.

### Printed Materials

No printed materials other than those provided and sanctioned by Trivia Bowl organizers and sponsors are allowed on the team table. Anyone caught using cheat sheets or notes will be subject to the same penalties regarding the improper use of electronic devices. Purses, bags, briefcases and items containing printed materials must be placed on the floor.

### Substitutions and Spectators

Team member substitution is prohibited at all times during the competition. Once the competition begins, a team may not replace an original player with another individual. If for any reason a player must leave the event, the team must proceed without that member. Game officials have the discretion to deduct as many as 10 points from a team's score if such violations occur.

During the competition, spectators may be present only in designated areas. Noncompeting spectators (including guests, chaperons and parents) may not stand near or approach the team table while a round is in progress and until the team submits its answer sheet for that round. All communication, oral or otherwise, is prohibited between a team and spectators while a round is in progress. Game officials have the discretion to deduct as many as 10 points for violations.

### Tie-Breakers

If any teams are tied for any of the top three places in the overall standings after the end of the final round, "sudden death" will be used as a tiebreaker. The rules will be announced at the start of the competition.
